

FOREMOST SIGNATURE QUICK FACTS: PERSONAL AUTO

Agent360SM

Foremost SignatureSM Auto is designed so your customers can customize their insurance for their situation and budget.

HIGHLIGHTS THAT MAKE US STAND OUT:

Flexible Coverage Levels:

- **Value Plus:** Designed for customers who want basic insurance.
- **Enhanced Plus:** Includes additional features for customers who want more advanced coverage.
- **GrandProtect®:** A great choice for customers with high-value assets or extensive insurance requirements.

We've made the options within each level very flexible. That way, a customer can adjust their policy as their assets and responsibilities grow.

Coverage Options:

- **New vehicle replacement:** We'll pay for a new vehicle of the same make, size, class and body type if the insured vehicle is a total loss. A deductible applies. This coverage is available for vehicles up to three model years old.
- **Accident forgiveness:** A first accident is forgiven if the customer has been insured continuously by a Foremost Signature carrier for 60 months or more.
- **Diminishing deductible:** The deductible reduces by \$100 each consecutive year there's no comprehensive or collision claim (up to a maximum reduction of \$500).

Discounts:

We offer a wide range of discounts that can help save customers money. Here are just a few:

- Claim free
- Multi-policy
- Paperless
- Good driving
