

FOREMOST QUICK FACTS: MOTOR HOME

Independent Agents who quote and sell Foremost® Motor Home protect their customers' automobile rates and have high customer retention!

HIGHLIGHTS THAT MAKE US STAND OUT:*

Total Loss Replacement coverage

Protects customers from the effects of depreciation. In the event that a new-model Motor Home is damaged beyond repair within its first five model years, and it is still owned by the original owner, we'll pay to replace it with a brand new one of similar kind and quality.

This option can save customers thousands of dollars!

Towing and Roadside Assistance

Eliminates the hassle of buying a separate towing plan. This valuable service is available 24 hours a day, 365 days a year throughout the United States and Canada.

Full-Timer coverage

Provides Liability protection very similar to a Homeowners policy when the Motor Home is parked and being used as a residence.

Personal Property coverage applies to personal property loss that occurs either inside or outside the Motor Home. Both ACV and Replacement Cost are available. Pet coverage also an option!

Diminishing Deductible

Included without any premium charge. For each consecutive year the motor home is insured by Foremost without a paid loss, we will reduce the deductible by 25%. Foremost renewal customers may have consecutive loss free policy years, so deductibles might be diminished already.

Campsite/Vacation Liability coverage

Provides coverage when the Motor Home is parked and being used as a secondary residence.

Emergency Expenses coverage

Pays for lodging or travel home if the Motor Home is damaged by a covered loss more than 50 miles from home.

12-Pay

A 12-Pay payment plan is available for Motor Home policies, allowing your customers more flexibility! Note that Electronic Funds Transfer (EFT) is required on all 12-Pay policies.*
