Why You Should Use AIA QuikRATE

All In One

View your customized agent dashboard to see the status of all your submitted quotes in one convenient location.

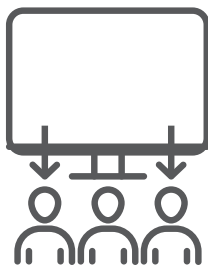

Rate And Submit From Anywhere

We'll guide you through our easy 4-step process to rate and submit an application online. You can always edit your rate/application afterward.

Share & Compare

By getting an estimate back instantly, you can share that premium estimate with your clients to compare with others they have received.

Instant Rate

You'll no longer need to wait for days before you receive your quote back. AIA QuikRATE returns a rate immediately.
